Re: 2026 Memorial Cup

Dear Lethbridge Hurricanes Hockey Club,

This letter is to recognize ENMAX Centre's full support of the Lethbridge Hurricanes bid for the 2026 Memorial Cup. We are committed to assisting where possible in the bid process, and are excited at the possibility of the city hosting this national championship of the Canadian Hockey League.

Lethbridge Hurricanes Hockey Club have a proud hockey history and are continuously looking for opportunities to showcase their dedication to their fans and community. The addition of the Memorial Cup as well as events around the Memorial Cup would be exceptional for not only the city but the province. We fully believe in and support the Lethbridge Hurricanes Hockey Club in their commitment to making this bid the best Lethbridge has to offer.

In addition to our venue being Home of the Hurricanes, ENMAX Centre has hosted a number of national and world sport events such as Canadian Curling Championships (Men's and Women's), 2019 USport Men's Hockey Championship and 2015 Skate Canada International, each of these events being an overall success with social and economic impact. There is no doubt that hosting the Memorial Cup would have a positive financial impact but it will also create memories that will last a lifetime.

Should the Lethbridge Hurricanes be successful and win the hosting opportunity for the 2026 Memorial Cup, we are committed to delivering an excellent event with high level of hospitality and with all the support that is required from the facility and areas beyond that.

We wish you all the best on a successful outcome of your bid.

Should you or anyone have any questions regarding our support please do not hesitate in contacting the ENMAX Centre at anytime.
