**Submitted By:**

<b>Recommended Action:</b> That Council give first reading to Bylaw 6185 – Amendment to Bylaw 5834 The Lethbridge Traffic Bylaw.
--

**Executive Summary:** The Lethbridge College has identified that the current fine structure is insufficient to encourage those parking on their grounds to purchase the required permit. The purpose of this bylaw amendment is to accommodate a request from the Lethbridge College to increase the fine for unauthorized parking on College grounds, effective September 1, 2019. The current fine for this offence is \$30, reducing to \$15 if paid within 7 days; the amendment would increase the fine to \$50, reducing to \$35 if paid within 7 days.

There are currently 3 fine schedules within Traffic Bylaw 5834; all fines reduce by \$15 if paid with 7 days of the offence. Fines in Schedule A are \$25, Schedule B are \$30 and Schedule C are \$50. Section 1323 of the Bylaw is specific to the College grounds and the amendment will only affect this section. This amendment will result in an increase of \$20 per ticket.
